

Way of Life!

MAKE  
YOUR  
MARK

The all-new Suzuki **SWIFT**. Even more of the Swift you love.

# A SPICIER EXTERIOR

The new Swift brings the heat to a whole new level with a sportier, more dynamic exterior and styling that brings excitement and joy before you even step into the car.

Sporty and bold front face

Strong shoulders and wrap-around windows, featuring hidden door handles for a sportier, coupé look

'Floating' roof and high-mount brake lights for sophisticated safety

Three-dimensional diamond grille with a horizontal silver line for a more refined look

Finely crafted 16" factory-fitted alloy wheels

# A SMOOTH INTERIOR

Inside, the Swift adds a layer of sophistication to the sportiness with a driver-centric cockpit, delivering driving confidence and improved convenience on the road.

Sporty, multi-functional, D-shaped steering wheel

Stay connected in style with Apple CarPlay® and Android Auto™ capabilities

Cylindrical gauges with a centralised, multi-information display

Plenty of boot space for all your spicy urban adventures

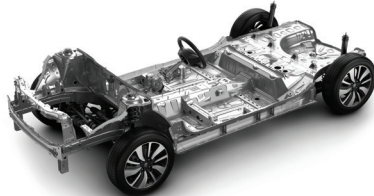

# SMARTER PERFORMANCE

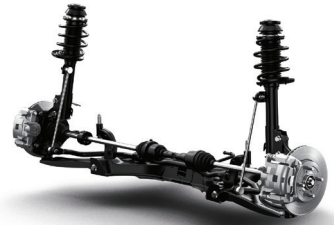

## A LIGHTWEIGHT, MILD HYBRID SYSTEM

For the first time, the new Suzuki Swift makes mild hybrid efficiency the new standard with an Integrated Starter Generator (ISG) and a 12V lithium-ion battery delivering greater fuel efficiency and lower emissions—while still delivering the zippy performance you know and love.

## THE ALL-NEW HEARTECT PLATFORM

Built on the HEARTECT platform, the light and highly rigid base contributes to lower fuel consumption and delivers better handling, optimising and connecting individual components for greater total ride comfort.

## IMPROVED SUSPENSION

The new combination of MacPherson Strut Front Suspension and Torsion Beam Rear Suspension provides excellent stability and comfort, highlighting the new Swift's direct-response steering while providing a smooth ride.

# SAFER, FOR A COMPLETE PEACE OF MIND

Safety is the Suzuki promise, and the new Swift elevates that commitment to new heights with the Suzuki Safety Support Suite. From Adaptive Cruise Control to Dual Sensor Brake Support, discover complete peace of mind on the roads with these comprehensive features.

- Adaptive Cruise Control (ACC)
- 6 SRS Airbags
- Front Passenger Airbag Deactivation System
- Hill Hold Assist
- Electronic Brakeforce Distribution (EBD)

- Electronic Stability Program (ESP)
- Anti-lock Braking System (ABS)
